

OCEAN ORMUS CONCENTRATE

Chinese tradition holds that sickness; pain and other health problems are caused when Chi energy is blocked. When Chi flows freely, Chi energy heals and restores the body.

OCEAN ORMUS, seems to increase the life force of the body. Quality of life improvements proceed from there.

Ocean Ormus supplies up to 89 trace elements derived from Pacific Ocean Water. The seawater is acquired from a very deep depth in order to insure purity. Ormus refers to minerals occurring in the one to ten atom-clustered states. Typical man made or natural mineral supplements occur in a much larger state, typically this is 33 atoms or larger in their clustering. All available information on Ormus indicates that Ormus minerals act as super conductors. This means that they improve the flow of energy in the body. Minerals are also essential for all metabolic enzymes created in the body. Metabolic enzymes are essential to every single cellular process. Whether that is protein synthesis, detoxification, energy production, neurotransmitter production, blood sugar regulation, it all requires metabolic enzymes to carry out these cellular processes. Since the soils and all foods grown from these soils are mineral deficient, people often have hidden hunger. They eat unhealthy foods in an effort to appease these inner hungers. Once your body system is finally given the missing trace minerals it is possible to experience a return of cravings for healthy food and an aversion to unhealthy foods. People report more energy and more cheerfulness from taking Ocean Ormus. Ocean Ormus contains:

HOW TO USE IT

OCEAN ORMUS should be taken on an empty stomach at least 6 hours after the last meal; upon awakening is an ideal time. Do not take any food for 30 minutes after use. Shake before each use and stir desired amount into an ounce or two of water. Starting amount is one teaspoon per day. After a few days you may want to adjust this up or down. More is not necessarily better and the maximum recommended is three teaspoons per day. Do not store near magnetic or electromagnetic fields of any kind including strong sunlight. Store product in metalized wrapper.

OCEAN ORMUS is for experimental and research use only.

WHAT TO EXPECT

People report improvements in mood, energy and well being.

WHAT TO DO

As your brain and body work better and stronger, your thoughts will have more power. If your thoughts are positive both on the conscious and subconscious levels then you will generate positive feelings and emanate the same. Most people are aware now that what you emanate vibrationally by law of attraction you attract. So seek to have positive thoughts and feelings in your conscious and subconscious minds or alternatively at state of neutrality. Developing neutrality and or varying degrees of positive thoughts and feelings will correspondingly by law of attraction cause you to attract the same vibrational experiences.

If you are struggling with negative feelings towards someone or towards yourself, work to clear these thoughts and feelings. Sometimes for some situations an effective practice concerning any condition that bothers you is blanket forgiveness.

It is also very important to remember, unethical activity, will bring the same time of experience back to you.
